

Cookies on the Parish Website

We use cookies to ensure that we give you the best experience on our website. If you continue without changing your settings, we'll assume that you are happy to receive our cookie on the Parish website. If you would like to you can change your cookie settings at any time.

Our Cookie name -

Analytics – Non Permanent (Not stored on your Computer's hard drive)

The Cookie's Purpose -

We use analytics software to track what our visitors view and click on during their time with us. We don't store any information that you input, just the keywords you've used to find us and search terms used on the site. By obtaining this cookie we can help to improve your user experience.

Managing cookies

If you don't want cookies to be used on your PC or Mac then we've put together a few simple steps, depending on your browser, to turn them off.

Mozilla Firefox

Click the orange Firefox button at the top of the window (Tools menu) and then click Options.

Select the Privacy Panel.

From the History drop down select "Use custom settings for history".

Un-check "Accept cookies from sites".

Click OK

Google Chrome

Click on the wrench icon, within Chrome.

Select "Settings".

Select "Under the Hood".

Click "Content Settings" in the "Privacy" section.

Under the "Cookies" section select "Block sites from setting any data".

Internet Explorer

Click the gear-wheel icon in the top right corner of the browser

Click Internet Options

Navigate to the Privacy Tab
Set the slider to “High” or above
Click OK to confirm

Apple Safari

Click the gear-wheel icon in the top right corner of the browser
Click the “Privacy” icon
Choose “Block cookies” as “Always”
Close window
